

## 50 YEAR LIMITED WARRANTY

BellaStone products are engineered to offer energy efficiency and long-lasting beauty for your home.

BellaStone panels are warranted against manufacturing defects for a period of 50 years from the date of purchase providing that the product is used on structures that conform to local building codes and is installed in accordance with manufacturer's instructions. This warranty coverage is limited to the original purchaser.

## MAKING A WARRANTY CLAIM

Within a reasonable time after the discovery of a suspected manufacturing defect, you may contact your contractor or complete a claim form and forward it along with other information outlined in the form instructions to the warranty department. Warranty Claim Forms can be obtained from [www.exteriorportfolio.com](http://www.exteriorportfolio.com) or by contacting the Warranty Department at 1-800-366-8472. The manufacturer will then investigate the claim.

If a defect covered by this warranty is confirmed, the manufacturer, within a reasonable amount of time after the inspection, will repair or replace (at the manufacturer's option) the BellaStone product – including the pre-approved costs of materials and reasonable labor. The manufacturer may, at its option, refund the amount paid by the homeowner for the BellaStone product plus the reasonable cost of installation.

## ITEMS NOT COVERED BY WARRANTY

This warranty does not cover damage or defect caused by improper installation, settlement or movement of the building, acts of god, intentional acts and unreasonable use, accident, negligence, exposure to harmful chemicals or paint, airborne contaminants, mold and mildew. The manufacturer reserves the right to direct and pay an independent company, dealer, contractor, installer, or distributor to perform any remedy under this warranty on manufacturer's behalf.

## LIMITATIONS

Crane reserves the right to discontinue or change any of its products. There are no express warranties except as contained in this warranty. Oral statements do not constitute warranties.

The manufacturer's liabilities are limited solely and exclusively to the obligations specifically undertaken herein and (except and only to the extent this limitation is specifically precluded by applicable law of mandatory application) do not include any liability for any incidental, consequential, or other damages of any kind whatsoever, whether any claim is based upon theories of contract, negligence or tort.
